COLDSTREAM KIDS

SPONSORSHIP FORM FOR: _____

In September 2009, 20 former and serving members of The Coldstream Guards, family and friends will take part in The Great Glen Way Sponsored Challenge. The Challenge will be to walk the route, which spans 73 miles/117km between Fort William and Inverness, which can be walked in 5-6 days, staying overnight at our designated team hotel within the Glen.

The aim of the Great Glen Challenge 2009 is to raise approximately £20,000 for the newly-formed Coldstream Kids Charity which supports children of Coldstream Guardsman who become victims of misfortune or unforeseen circumstances. The charity was established in 2006 following the sad and untimely deaths of Guardsman Anthony Wakefield and Sgt Christian Hickey who were both tragically killed whilst serving in Iraq with the 1st Battalion Coldstream Guards in 2005. Each member of the walking team hopes to raise £900 through sponsorship and donations. Your support is appreciated.

If you are a UK tax payer please tick gift aid as the charity can claim 25p on every £1 donated. (You need to pay at least as much UK tax in this tax year as we will reclaim on your donation.) Thank you.
